## National Event Scholarship Application

This application is available to all youth members of Malibu Lodge in an effort to make National Order of the Arrows events more easily accessible to all. The Lodge provides this scholarship program as a way to help its members. In return, it is asked you provide service back to your Chapter, District, Lodge, Council and community through the experience you gain at this event.

Each Arrowman is limited to one (1) scholarship per year. The Lodge will reimburse up to \$250 for High Adventure, National or Regional training or other National Events. For most national events we ask that you register for the event and pay. Once your application is approved, we will notify you and how to get reimbursement for event and funding. This may include requesting proof of signup and payment.

For National Order of the Arrow Conference (NOAC) instead of a flat fee we will do a percentage scholarship as the fees are considerably higher than other national events. We will work with individuals on how to help pay for event.
